

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

AMERICAN ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE.

SECTION F, ZOOLOGY.

THE first meeting of the Section was called to order by Vice-President David Starr Jordan, on Monday, August 26, at 11:30 a.m., when the Section was organized with the following officers :

*Vice-President, David Starr Jordan.*

*Secretary, Henry B. Ward.*

*Member of Council, C. H. Eigenmann.*

*Member of General Committee, V. L. Kellogg.*

*Sectional Committee: C. B. Davenport, Vice-President, 1900 ; C. H. Eigenmann, Secretary, 1900 ; D. S. Jordan, Vice-President, 1901 ; H. B. Ward, Secretary, 1901 ; E. P. Felt, W. H. Ashmead, T. D. A. Cockerell.*

The report from the Committee on Variation was read, and on motion the Section voted to recommend the granting of the funds requested for prosecuting the work. The report is as follows :

The grant of one hundred dollars to this committee was used to help defray the expenses of Mr. C. C. Adams incurred in collecting for study molluscs of the genus *Io*, found in the headwaters of the Tennessee River. A preliminary report has been made by Mr. Adams, and this was printed in the *Proceedings* of the Association for 1900. Mr. Adams submits at this time a second report covering the results of study on the material collected last summer, but prefers to postpone further publication until after his final expedition which he is
